REGISTRATION & TRANSFER FEES

Effective from 1st January, 2017

To be eligible for registration:

All calves **must** be Birth Notified to the Society by 3 months of age

Female Registration

Birth to 3 months	£27.50
3 to 12 months	£55
12 to 24 months	£80
Over 24 months	£100 plus application in writing to Council who have the absolute right to accept or reject them. Council might also inspect the herd at the owner's expense.

Heifer registrations will be processed by the Secretary as they are submitted, but the animal will be categorised as "pending" & certificates will not be sent out until payment is received. In the "pending" category animals do not appear on the online Herd Book. Please can payment of registration fees be made in a timely fashion, before the animal reaches the next age bracket (e.g. 0-3 months, 3-12 months, 12-24 months) otherwise the higher fee will be applied.

Freemartin

A female born as a twin to a bull must be birth notified, but cannot be Pedigree registered unless she breeds a live calf within the first three Years of her life. She can then be registered at the original fee of £27.50.

Bull Registration

Please see guidance on page 21 of the 2019 Herd Book & note removal of vet inspection requirement, effective 1st March 2019.

6 – 24 months	£100
Over 24 months	No longer eligible for registration.

Transfer of ownership

£22.50 (payable by purchaser on each pedigree registered animal)

All cheques should be made payable to: The Gloucester Cattle Society
Payments can also be made by BACS to: Gloucester Cattle Society
